Payments will be made on bills prepared in duplicate both copies in ink and submitted by the contractor in specified printed forms once in every month.

Departmental help for unloading from the wagons and loading into carts will be given only in the case of wooden poles or where the packages are big and heavy and also when careful handling in the case of fragile materials is essential; in all other cases, loading and unloading of carts should be

arranged to be done by the contractor himself. The decision of the Superintendent, Kolar Gold Fields for all cartings done will be final in all cases of doubt. If carts are not supplied as and when required, other carts will be engaged on the spot at available rates and any extra cost incurred thereby will be debited to the account of the contractor and the contractor will have no voice to question the rates paid.

The Superintendent, Kolar Gold Fields, will not bind himself to accept the lowest or any other tender and is also at liberty to accept or reject any or all the tenders without assigning any reasons therefor.
